

PROGETTO L14

LEA
CERAMICHE

Progetto L14: arredare creando.

Progetto L14 è la collezione Lea Ceramiche che trasforma il tradizionale concetto di piastrella in un'idea del tutto nuova di rivestimento che arreda e valorizza gli spazi con tratti geometrici ed ampie superfici monocromatiche per risultati di grande effetto.

In Progetto L14 l'elemento cromatico rappresenta il motivo dominante. La forza prorompente di tinte molto vivaci e l'audacia degli accostamenti, differenziano questo prodotto dalle tradizionali proposte del settore ceramico rendendolo ideale per personalizzare in maniera originale tutti gli ambienti domestici.

Progetto L14: design and create.

Progetto L14 is Lea Ceramiche's collection that transforms the traditional concept of a tile into a new refinishing idea that furnishes and exploits the spaces with geometric lines and large monochromatic surfaces for results that give great effect.

In the Progetto L14 collection, the chromatic element represents the dominating pattern. The unbridled force of lively tints and the audacity of the matching colours differentiate this product from traditional products in the ceramic sector and therefore make it ideal for personalizing all domestic environments in an original way.
