La collezione Fusion si ispira alla forte direzionalità caratteristica della pietra naturale e della sua stratigrafia, valorizzandola attraverso la leggerezza dei movimenti, delle linee geometriche e dei passaggi di colore.

The Fusion collection was inspired by the typical strong directionality of the natural stone and its stratigraphy, enhancing it through light movements, geometrical lines and chromatic transitions.

La collezione Fusion s'inspire de la directionnalité typique de la pierre naturelle et de sa stratigraphie en la valorisant par des mouvements légers, des lignes géométriques et des transitions chromatiques.

Die Kollektion Fusion orientiert sich an der charakteristischen Eigenart des Natursteins und seine Schichtenstruktur, hervorgehoben durch die leichten Bewegungen der geometrischen Linien und der Farbübergänge.

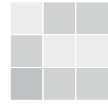

De collectie Fusion is geïnspireerd op de karakteristieke lijnen en lagen van natuursteen, die tot hun recht komen door de lichte bewegingen, geometrische lijnen en kleurovergangen.

La colección Fusion se inspira en la fuerte direccionalidad que caracteriza a la piedra natural y a su estratigrafía, valorizándola a través de la ligereza de los movimientos, las líneas geométricas y los cambios de color.
