GRANITI VICENTIA BRINGS VALUE TO OUR CUSTOMERS

Graniti Vicentia provides **solutions to create spaces** that support and reflect the individuality, image and brand statement of our customers. We offer a menu of products, services and support to develop your project from the conception to completion.

Our approach is based on a collaborative team of professionals who share their knowledge to work on the project, from concept design, to the technical development of product solutions, through installation.

OUR GOAL IS ALWAYS TO EXCEED THE OWNER'S EXPECTATIONS.

| SURFACE SOLUTIONS FOR EVERY NEED

GV Surfaces is the division within Graniti Vicentia Group that focuses on surface solutions solutions. We provide innovative solutions that respond to the interior and exterior needs of each of our customers. The flexibility of ceramics allows for each surface to be defined and chosen to create a space with design intent. The portfolio of products offered is the continued effort of GV Surfaces

to keep current. We take great care to select products displaying the **latest trends** in design combined with the **extraordinary quality** and cutting-edge technology of the constant and never-ending research of our vendors. This, along with GV Group’s offer of value added fabrication services, provides our customers with **value design**, quality and the performance of surface materials.

QUALITY PRODUCTS FOR UNIQUE PROJECTS.

The collection

Deluxe 2.0 – porcelain surfaces that boast timeless elegance, drawing inspiration from natural minerals and organic elements such as sand, stone, clays and crystals.

The Deluxe 2.0 collection is produced with color-body technology, showing the predominant pigment/graphic on the surface with a solid color inside.

Available in honed and polished finishes, sizes 12"x24" and 24"x24" and offers decorative mosaics and trim pieces.

Ideal for floor and wall applications and suitable for both residential and commercial settings.
