GRANITI VICENTIA  
GROUP

## GRANITI VICENTIA BRINGS VALUE TO OUR CUSTOMERS

Graniti Vicentia provides **solutions to create spaces** that support and reflect the individuality, image and brand statement of our customers. We offer a menu of products, services and support to develop your project from the conception to completion.

Our approach is based on a collaborative team of professionals who share their knowledge to work on the project, from concept design, to the technical development of product solutions, through installation.

OUR GOAL IS ALWAYS TO EXCEED THE OWNER'S EXPECTATIONS.

---

## ■ SURFACE SOLUTIONS FOR EVERY NEED

**GV Surfaces** is the division within Graniti Vicentia Group that focuses on surface solutions solutions. We provide innovative solutions that respond to the interior and exterior needs of each of our customers. The flexibility of ceramics allows for each surface to be defined and chosen to create a space with design intent. The portfolio of products offered is the continued effort of GV Surfaces

to keep current. We take great care to select products displaying the **latest trends** in design combined with the **extraordinary quality** and cutting-edge technology of the constant and never-ending research of our vendors. This, along with GV Group's offer of value added fabrication services, provides our customers with **value design**, quality and the performance of surface materials.

QUALITY PRODUCTS FOR UNIQUE PROJECTS.

# *Dolce Italia Porcelain Slabs*

Embody the expertise and beauty of Italian porcelain slabs, transplanted into the US to obtain a product that is superior in style and quality.

## *Dolcissima Slabs*

Are the perfect porcelain solution for counter-tops, table-tops, backslashes, shower surrounds and more.

The wide range of colors, which include classic polished and honed marbles with a luxurious feel and the possibility of book-matching; sleek, modern stones and the distinctive industrial look of concrete, cater to a variety of tastes, from the contemporary to the more traditional style.

The superior technical features of porcelain allow Dolcissima slabs to be hygienic and non-absorbent by nature, resistant to chemicals and acids and cleanable with ordinary soap and warm water or common cleaning products, without any special maintenance.

# *Pure White*

A solid, super white porcelain slab that is the epitome of purity and simplicity, at home not only in minimal designs but also as a neutral complement of any styles.

## *Statuarietto*

The famous Italian marble is faithfully replicated in this Dolce Italia porcelain slab. Dolcissima Statuarietto features a pure white body enriched by the distinctive bold grey veining that creates a beautiful visual contrast and delivers a most desired look.

Statuarietto\_Counter\_Wall

# *Calacatta White*

One of the most appreciated marbles, Calacatta has a field that is bright white and veins that are thick and dramatic, which range in color from gold to greige. Dolcissima Calacatta White mimics the famous looks in a high-quality porcelain slab.

# *Luxe*

Dolcissima Luxe is a white marble look with subtle elegant grey veining that stands by its name and delivers the luxurious feel to any settings.

COLOURFUL LOTTA AGATON AND PIA ULIN  
COLOURFUL LOTTA AGATON AND PIA ULIN  
COLOURFUL LOTTA AGATON AND PIA ULIN

# *Calacatta Oro*

A porcelain replica of one of the most prestigious marbles, which features a white background enriched by dramatic veins in gold, amber and grey tones and combines the famed looks to the superior technical features of the highest quality porcelain.

Calacatta Oro\_Counter\_Wall

# *Lasa Argento & Grigio Trambisera*

Lasa Argento is a highly popular and sophisticated marble-look porcelain solution with delicate and subtle grey and warm veins that enhance a multitude of surfaces.

Grigio Trambisera inspired by the fine-grained natural marble quarried in Italy, this durable porcelain solution enhances any commercial or residential space with its warm and grey hues and parallel veining.

# *Bianca*

Dolcissima Bianca is an off-white stone look with substantial yet subtle veining that ranges from grey to greige. The very elegant and neutral aesthetics blend seamlessly with every style. Both honed and polished finish are available with bookmatching patterns.

## *Invisible Grey & Basalto Sand*

Invisible Grey is inspired by the natural marble quarried in Turkey, this high-quality porcelain solution is characterized by an off-white background with characteristic webbed grey and taupe veins.

Basalto White takes modern take on the timeless and classic basalt, the volcanic stone which originates in nature from the rapid solidification of lava.

# *Antico Calacatta*

Dolcissima Antico Calacatta is a bold, opulent white marble, heavily veined with wide brush strokes that range in color from beige to gold and from grey to black. Its richness in pattern gives every installation a luxurious feel and easily becomes the space's focal point.

Antico Calacatta\_Counter-top\_Wall

*Macchia Vecchia & Basalto Grey*

Inspired by the art-worthy and gorgeous Macchia Vecchia originating from Italian quarries, this divine and classic porcelain solution is characterized by gold, grey and earthy pigmented veins.

Basalto Grey takes modern take on the timeless and classic basalt, the volcanic stone which originates in nature from the rapidly solidification of lava.

# Taj Mahal

Dolcissima Taj Mahal slab replicates the creamy, tan and white subtle pattern of the Brazilian quartzite. Its neutral and warm hues can be adapted to a wide variety of designs and styles.

# *Carbone*

Dolcissima Carbone is a white and black marble with a strong personality. The black bold veining attracts the attention creating a stark contrast and a powerful visual impact.

The possibility of book-matching the pattern doubles up on the uniquely striking effect of the slab.

# *Grigio Arabescato*

Dolcissima Grigio Arabescato replicates the dramatic veining of Arabescato marble in a grey hue on white background. Its bold, striking appearance will surely become the focal point of any installations.

Grigio Arabescato\_Counter\_Wall\_Pure White\_Floor

*Savoie Blue & Basalto White*

Savoie Blue is a high-quality porcelain solution inspired by the marble quarried in the Savoy Alps and with a color pallet ranging from blue and grey hues. Basalto White takes modern take on the timeless and classic basalt, the volcanic stone which originates in nature from the rapidly solidification of lava.

# *Nero Arabescato*

Dolcissima Nero Arabescato replicates the dramatic veining of Arabescato marble in a black hue on white background. Its bold, striking appearance will surely become the focal point of any installations.

## *Scura & Bianca*

Dolcissima Scura is an off-black stone look in honed finish with substantial yet subtle veining in different tones of grey. The very elegant and neutral aesthetics blend seamlessly with every style. Scura is available with book-matching pattern.

Dolcissima Bianca is an off-white stone look with substantial yet subtle veining that ranges from grey to greige. The very elegant and neutral aesthetics blend seamlessly with every style. Both honed and polished finish are available with book-matching patterns.

# Basalta

An elegant and modern dark porcelain stone slab, with white and darker veining which replicates the mineral rich volcanic rock formed from the rapid cooling of lava.

## *Basalto White & Basalto Grey*

Basalto White and Basalto Grey takes modern take on the timeless and classic basalt, the volcanic stone which originates in nature from the rapidly solidification of lava.

# *Cemento*

The ultimate porcelain concrete look in slab size, to achieve the sleek industrial feel of metropolitan spaces without the maintenance problems of concrete.

Cemento\_Counter

## *Pietra Grey & Luxe*

Dolcissima Pietra Grey is an elegant brownish-grey porcelain stone with a cloudy appearance and white veining that vary in thickness and pattern for a chic cosmopolitan look.

Dolcissima Luxe is a white marble look with subtle elegant grey veining that stands by its name and delivers the luxurious feel to any settings.

# *Nero Marquina*

A rich, intense black marble look, which replicates the popular stone extracted in the North of Spain and features a compact black background with fine white veining.
